

The Housing Authority of Racine County is currently seeking qualified candidates to fill the position of Housing Management Specialist. The ideal candidate should possess at least an Associate's degree and one year of relevant experience in the housing or social services field or an equivalent of a High School diploma with a combination of three years' experience in the housing or social services field. Candidates should have strong skills in communication, problem solving, strong organizational skills and a valid driver's license. The following certifications must be obtained within twelve (12) months of employment, unless otherwise authorized by the Executive Director.

- Housing Choice Voucher Specialist
- Enterprise Income Verification System (EIV)
- Fair Housing

The Housing Authority of Racine County offers a competitive salary and benefit package consistent with education and experience levels.

Resumes should be submitted via email to LSeward@rcha.org

The position will remain open until a qualified candidate has been found
